Cattolica del Sacro Cuore. Rome, Italy

Healthcare: road to 2050

Bertalan Meskó

The future of radiology

Evis Sala

Meeting emerging needs

Fabio Tedoldi

General description

Innovation in healthcare is key to improve patients' lives. What will be the role of diagnostic imaging in the future?

This symposium will address main innovation trends in healthcare and diagnostic imaging, with emphasis on the role of radiology, and will provide insights on how Bracco is tackling current innovation challenges to shape the future of diagnostic imaging.
